

Town of Hector, NY

# **Recycling Guide**

## Single-Stream Self-Service Recycling

**paper • cardboard • glass • metal (tin, aluminum, foil) • plastic containers (#1-7) • hard plastic**

Town of Hector taxpayers are provided self-service recycling at the Town Hall (5097 SR 227) on Saturdays 9-12pm (year round) and Thursdays 5-7pm (mid-April through mid-October).

**Please pull forward to the front most bin at drop off.**

---

**Cardboard must be broken down.**

Please do this in advance of dropping off.

**Clean and dry recyclables only**

Food, drink, oil, etc. makes recycling dirty and less saleable on the open market.

**No plastic bags or plastic wrapping (film)**

**No batteries**

**No small items under 2" or tanglers**

Screw small caps back on bottles to recycle, otherwise throw in garbage.

---

## **When in doubt, throw it out!**

Non-recyclables and dirty items in the recycling bin hurt recycling programs.

Don't "wish recycle"; when you're not sure, throw it in the garbage.
