Smith Park Manager's Report

January 11, 2022

1. As the park remains closed, I am primarily assisting Jason S. with inspections and continuing to work at Town Hall.
2. In addition to assisting Jason, I will begin taking codes courses online beginning January 24th.
3. I will be finishing up the existing office at Smith Park as weather permits so it is ready by the time camping begins.
4. Jason Bond will begin with preseason maintenance at the park as weather permits.
5. I will be contacting Will in February for a walkthrough of the park focusing on dying, diseased, and damaged trees.
6. Lastly, Jessica and I met with Matthew Lowe about building a new website for Smith Park. We will continue to meet with him once every other or week or so to check in on progress and discuss any further changes to the site. I will meet with Park Committee in regards to our current reservation system and recommendations from Matthew next week.

Respectfully,

Kevin Kessler
